(1) 15ft Ratchet Strap Extensions		(1) 15ft Ratchet Strap Extensions
Asking Price \$1,000.00		Asking Price \$1,900.00

This system is in "New" or "Like New" condition. It is being sold "as is" with no warranty or replacements. Components and attachments may be purchased separately, substituted, replaced or removed from this package. Buyer accepts these terms upon delivery. Demonstration of tools will be allowed for serious buyers only with a mutually agreed upon date and time.

We also have other HURST equipment for sale including new low and high pressure hydraulic systems, gas and electric power units, air shores and raker sets, air bags and spare parts. Besides the new equipment, there are 1-2 year old demonstrator hydraulic tools and older hydraulics that were used for loaner equipment. All equipment was serviced by Guardian, however will be sold "as is" to the buyer.

For more information or if you are looking for some great pricing on a total system, adding a particular tool or need a particular part, please contact Chris Bogen at (215) 622-7756 or email him at Cbogen26@yahoo.com.
