

# Liquidation Sale

## PERKASIE FIRE COMPANY No. 1

Perkasie Fire Company No. 1 has acquired the HURST assets of Guardian Fire Equipment in PA. All equipment will be liquidated for the purpose of raising funds for the Department. We are selling the above package of Hurst components and attachments used in Trench and Vehicle Rescue. Components include:

- |  |                                  |
|--|----------------------------------|
| (2) 21"-28" A Struts                           | (10) 18 inch Spot Shore Rails    |
| (2) 26"-37" B Struts                           | (3) 12 inch Extensions           |
| (2) 54"-84" E Struts                           | (4) 10ft Raker Rails (not shown) |
| Assorted Trench and Vehicle Rescue Attachments | <b>Asking Price \$5,000</b>      |

All equipment is in "New" or "Like New" condition. Certain parts of this system were used for demonstration purposes only. This package is being sold "as is" with no warranty or replacements. Components and attachments may be purchased separately, substituted, replaced or removed from this package. Buyer accepts these terms upon delivery. Demonstration of tools will be allowed for serious buyers only with a mutually agreed upon date and time.

We also have other HURST equipment for sale including new low and high pressure hydraulic systems, gas and electric power units, air bags and spare parts. Besides the new equipment, there are 1-2 year old demonstrator hydraulic tools and older hydraulics that were used for loaner equipment. All equipment was serviced by Guardian, however will be sold "as is" to the buyer.

For more information or if you are looking for some great pricing on a total system, adding a particular tool or need a particular part, please contact Chris Bogen at (215) 622-7756 or email him at [Cbogen26@yahoo.com](mailto:Cbogen26@yahoo.com).
